any potential threat.

Many Rogue Traders are individuals who have reached a position of power within the Imperium's hierarchy. These come from the ranks of the Adeptus Terra, the Imperial Navy and Imperial Guard, or even the Inquisition. A few are influential civilians, amongst whom the Navigators are the most famous. Politics sometimes obliges this course, for free of Imperial command the Rogue Trader is also conveniently out of the way, beyond the centre of real power. Rogue Traders have a reputation as outcasts; many are people whom the priesthood deems better kept at a safe distance.

Ghazghkul Ghazghkull Thraka There is a formidable and infamous Warlord ork who has waged both the Second and Third War for Armageddon against the Imperium of Man in which he led the greatest WAAAGH Ork!s ever seen by mankind to try to take the Hive World from Armageddon during the Final Chapter of the 41st Thousand. In a shrewd move that shocked the Tau high command in the center, Grog managed to maneuver and arrest the Tau Guns in a shrewd ambush. Killdigga Warpheadz Ork Warband Some time during the 41st Thousand, the huge WAAGH! Gragnatz devastated the Vorsk subsector. Biglug emerged from the dimensional gateway known as Wyrm's Maw, his fleet was augmented by dimensional weaponry, which further improved the already formidable Grand Armada of Gragnatz. During this campaign, the Raptors engaged in a guerrilla war at the heart of the Ork Sons, attacking dozens of different klanz in a series of worlds. Although they kill thousands of Orks, more than three hundred Space Marines are killed and their comrades are overloaded even more Ork ships dump into the system. Equipped with far superior long-range armament, the Imperial Dreadnoughts retained their ground. The capital world of this pocket imp, and the site of the last imperial assault, was in the Ullanor Sector. Furious, Grog declared war on the Tau and failed to win the Dakka War over the Enclaves Farsight, but was dampened by the formidable long-range firepower of the Tau. OH! Korbul focused mainly on the world of Since it was the leading manufacturer of industrial materials of the subsector. In a little more than three weeks, the overseas destroyed the Tellports ships and the station stompa that provided Waaagh! Gutshreddaagh! with much of your impulse. On the ruins of the Sularian gate, Ezequiel confronted the Lord of War Ork and fought against him in single combat. Originally an ork feral under the Warboss Bogga-Bogga command during the Baran War, his master was killed during an ambush by Eldar Striking Scorpions Aspect Warriors. Rargutz waaagh! Rargutz When Waaagh! GRAX held a brutal destruction campaign on the RYZA system in 925.M41, the ever-expanding war zone was quickly transformed into a meat crusher who swallowed world after blood conflict. The Toofjaw Painboy literally dismounted Warboss in the leadership challenge that followed, carving it into pieces with his greeds and claiming the government of the tribe in the process. Attacking the monastery-fortress of the chapter, the angels of blood were not so easily overcome. After being defeated in Lorn V by the Victorious Imperial Guard, he ran away on an Ork Rok to the world of Horn and built his Waaagh! The large size of Gorbag's fleet, combined with daring and predatory tactics, proved more than a match for the Imperial Navy. Most of the critical battles in WAAAGH! Gorbag were fought in space. With their apron-wearing Killa Kan orderlies to back them up should a patient get uppity, Painboss Toofjaw's Dok Mob slowly came to control almost all of the wealth and wargear of their warband. A limited number of Weirdboyz utilised their strange psychic abilities and were able to pull the arriving Imperial reinforcements prematurely out of the Warp and right into Korbul's cunning trap. WAAAGH! Gorgutz eventually included elements from the Ork klanz known as the Head Crushaz, the Foot Stompaz, the Rokkit Rangaz, the Burna Boyz, the Kwikmeks and the Rok Clawz. Leonatos was put on trial for the loss of the Blade. He organized the disparate Ork warbands into one massive WAAAGH! Consisting of hundreds of thousands of Boyz. Gorbad WAAAGH! Grax being conducted in the Ryza System, drawn to the fighting like moths to flame around 925.M41. He led a successful counter-attack that broke WAAAGH! Groblonik forever. To the dismay of the Imperial armies sent to intercept him, the Mighty Mangler lives up to his name. When Tuska learned that a towering many-headed nightmare was slaughtering its way through his crew, he strapped on his Power Klaw and sprinted towards the sounds of battle, bellowing his warcry. Grimtusk Bloodboila WAAAGH! Bloodboila In 895.M41, WAAAGH! Bloodboila set out to consume the entire Athelaq Sector, but the Space Wolves Chapter's Great Company of Egil Iron Wolf stood in its path. During the Third War for Armageddon he led his War Horde, which consisted of an estimated 4 warbands and 9 Gargants, and which were deployed in support of the fighting on the continent of Armageddon Secundus. The Orks of this horde rampaged across the Imperium on a massive scale. Gorbad is also believed to have joined the Greenskin assault on the Ryza System. strategy upon his personal klan affiliation. In 901.M41, Lord Commander Dante lead a Stormraven drop assault that finally broke the Ork WAAAGH! during the Battle of Stonehaven. His decisions are enforced by a ruling caste of Orks known as Nobz, who are larger, richer and more aggressive than normal Orks, and never miss an opportunity to remind their fellows of it. Leonatos and his small band of Exiles went deep into the Eye of Terror. During their initial insertion, an artillery strike from the Orks shot down the 3rd Company's extraction Thunderhawk gunship, stranding the Raven the Orks have been allowed to consolidate their gains to such an extent that their migration is becoming an occupation. Blaktoof launches a counter-invasion straight into the maw of the Evil Sunz bikers, who prefer speed and mobility over armoured protection. As word spreads of the A Abounty, even more Orks flock to Ozdakka's banner and his WAAAGH! swells until it is even larger than ever. But the fleeing mobs found they had nowhere to run, as the outer walls had been breached by the attacking Luna Wolves, and the day turned into a slaughter. Utilising captured Tyranids, they were placed aboard a Space Hulk, the Perdition's Flame, which had emerged from Warpspace ahead of the approaching Hive Fleet. Skullkrak who first arose in notoriety when he invaded the Targus System in 862.M41. Three days later, Fire Lords Space Marines under the command of the newly promoted Chapter Master Jaric Phoros arrived to discover Orks in complete retreat and the primitive sites full of tales of their "Saviors of Action" unknown "". The intervention of the Crimson Fists Space Marines ensures that Snagrod's next target is the Astartes Chapter planet called Rynn's World. By 994.M41, rumours abounded of two (or more) Space Hulks being sighted in the Redwold System and the Emperor's Tarot produced ever more dire portents of strife. Bogga-Bogga WAAAGH! Bogga-Bogga Following the success of Arbuttz the Incredible, who led WAAAGH! Arbutzz across the Zypher Sub-sector and captured the Eldar Exodite world of Baran in 910.M40, the bloated Warlord known as Bogga-Bogga led his own tribe and claimed the barrows that lay beneath the great sweeping hills of that planet. Gazbag WAAAGH! in 831.M41, toward a group of largely unprotected Eldar paradise worlds. As the Blood Prince was about to finish off Tuska, his Weirdboyz distracted the Daemon with their psyhic powers long enough for Tuska to impale the creature between its legs with his Power Klaw before being killed himself. Not liking the way things are going, one of Grabork's Meks turns the gun into reverse sucking the entire world up into the Perpetual Misery. Boss poles are simply a tall pole with a cross arm about a quarter of the way from the top, worn on the Warboss' back when he rides into battle. Nah, 'e's not mad. Though the relic was eventually recovered, Leonatos was lost to the malefic powers of the Warp. Kleptomaniac, launch your Waaagh! In the Morloq system in 978.m41. Space Marine Kill Teams, then deploy throughout the Hulking structure, in charge of rebuilding Greenskins prisoners and murdering Dregdakka. These monstrous kills of killing can reach until ten feet of terrain in height, and its large muscle mass makes them wider on the shoulder than a fully armored marine space. Archon Shyrek forces struggle as demons to escape from the ork ships tightening ring. Gutstompa Waaagh! Gutstompa Wa so Ork Warlod Judrog Irontoof committed all the Dreadnought and Killa Kan in his forces for a single attack. During the third war by Armageddon, Skargrim's forces participated in the Bive Infernus siege, destroying an imperial guard regiment of the Savar Center Dogs in the ash resulters when they tried to get out of the hive. The orks were involved in the street fighting throughout the capital of Kolchis. Beginning in 990.m41, Gorbad won all the neighboring tribes of Greenskin in Redwold, Tyr and Alacanth along a four-year period, and soon after they began to build heavy weapons $\hat{a} \in \hat{a} \in$ and ships Invasion. 18, 86 Codex: Empire Tau (6th edition), pg. Kryptman planned to use a leviatan trial to eliminate the octário ork imposition, which had greatly opened with Imperium in an ever climbing war in this volatile region of space. When the Scouts aen¢Årretbus aen¢Årretb ork settlement. Satisfied with his work, Big Mek PlanetsMasha takes his choice of the most shocking of these asteroids, adding propellers, forced and bloody campaign, Eldar was forced to withdraw. First, Warboses are warriors, and stand out in the art of war. Luna Wolves Legion led the robbery for the heart of the Fortress of Urlakk. He keeps others orks according to the force of his dominating personality and a brutal beat from time to time. By the time Gragnatz's Armada reached the sub sector of Vorsk, his nominos were promoted swollen by other great bosses, forming a Greenskin's attack capable of crushing various starring systems from one time. His ships were overcome by Starkrusha, however, and sustained a few losses of his fire power. By the time a mistreated Gretchin ordered outdated Drogbag that Toofjaw was "taking a little from the top" at a time, it was too late. During the brutal campaign, this reliable of the sacred chapter was lost. Grizgutz hunts and kills his doppelganger, reasoning that in this way he can have a spare with his favorite weapon. Occasionally, however, such exception turns into a fullblown Waaagh! and can represent a serious threat to the most strongly fortified imperial sector or segmentum. Black slays were equipped with imperial forces on the continent of Armageddon Prime. Through the warpy break, puts the world of Arkunasha, and a war that was to test your battleLUST for the limit. Ahhhh! Bork finally collapsed the defenses of Ghoul Stars and claimed a great area of the galactic fringe. A Warboss will hold dominion over all he surveys, and beat the living daylights out of anyone who says different. Utilising its large power matrix crystal mounted atop its pyramidal form, the crystal focused its alien energies, and unleashed devastating arcs of anti-matter lightning, obliterating the remaining Orks, including the remaining Orks, including the warboss himself. Despite some nasty "setbacks" ranging from spontaneous combustion to sporadic gravity reversal, Nazdreg's Meks perfect their Tellyporta designs in 979.M41. The world of Porphyry was the second settled planet to fall to WAAAGH! Grimtoof, the Adeptus Mechanicus stripmining facility present on the planet to fall to WAAAGH! Imperial Guard's Tekarn 11th Heavy Tank Company. The Orkish invasion met with great initial success and a force of Space Marines from the Ultramarines 2nd Company under the command of Captain Titus were sent to delay the Orks long enough to prevent them from seizing control of the strategically important Warlord-class Battle Titans built on the planet until a full Imperial liberation fleet arrived to secure the world. But with the approach of the Tyranid menace encroaching upon the Realms of Ultramar, the Arch-Arsonist has seized upon the chance to invade the Ultramar System. Terminators. As they embarked on captured asteroids quickly converted to warships, the Orks headed for the stellar stain they called Da Big Swirly Fing, hoping to invade and destroy what lay behind him. The number of attacks grew until it became the greatest Greenskin invasion ever known to Gaius, eclipsing even the one defeated by Hrus³ the world of Ullanor during the Great Crusade at the end of the 30th Thousand, which earned him the title of Warmaster. As an Imperial Hive World, the huge hive towns of Black Reach were home to billions µ imperial cities. Korbul anticipated imperial repairs and stationed a small battle fleet on the outskirts of the system. Although the individual Warbosses like to find the greatest opponents they can and knock them down with indiscriminate shots, wild blows, or a combination of the two, to once again assert their power over the other Greenskins who follow them. Codex 40-41: Dark Eldar (5th Edition), pp. During the Third War for Armageddon, he led his Big Gunz, consisting of an estimate of 11 artillery bands, which were deployed in support of the fight in the Reds of Fire. Although some Warbosses gain prominence through the lower East Asia, most take power through the application of brute force. During the Third War for Armageddon, he led his Great Gargants, which were deployed in support of the assault on the mainland of Armageddon, he led his Great Gargant Turb, which were deployed in support of the assault on the mainland of Armageddon Secundus. Each side is incredibly well armored, and the ground shakes when your brigade is in motion. Finding the beast fit the fit on the bridge of the Gorejaw, the resulting accident between Ork and daemon was titAannico, but when the fight was over Tuska had a new set of horns with which to adorn your trof rack ©us. Garaghak WAAAGH! Garaghak WAAAGH! Garaghak Under his ambitious and power-hungry Garaghak, the self-proclaimed "Arch-Killa" and "Overfiend de Tallarax" brought together the generally irregular and independent Ork tribes, klanz and war bands from their region and united them. After the initial skirmishes proved that the still-literate cores were not compatible with the Orks, Lord Mepthk signed a pact with 'Eadcrumpa'. During the Third War to Armageddon, he led his Grand Moba Gargant, which consisted of an estimated 4 war bands and 3 Gargants, and which were deployed in support of the fighting in the Fire Wastes. During the vicious campaign that followed, the Ork horde of Gutstompa, which included his Meganobz, were crushed by the frantic onslaught of the Death of Blood Angels. Ugulhard's Power Klaw was adapted as a bionic substitute arm by Commissioner Yarrick. The resulting catastrophe extinguishes all life in the thriving Imperial hive, fracturing continents, boiling the oceans into space and burning the world's atmosphere, finally reducing Taurabrax to a drifting debris field. The Orks are expelled from the world in 991.M41 after a two-year siege, but it is a hollow victory, as the once-proud Crimson Fists Chapter is reduced to a tattered fragment of its former glory. As bitter fighting raged on a hundred fronts, many new war bands of Ork and entire WAAGH!s were drawn to the banner of Grax. Each new day at Daemon World, the Warboss and his Boyz found themselves and his Boyz found themselve revived to once again fight Prince Blood and his demonic horde. Behind the gate, led by Brother Weylands of the Omega Marines, were nine more Dreadnoughts armed with claws of power and a mix of smaller range Assault Cannons, Multi-Meltas and Heavy Bolters. These trophies are typically the heads of enemies, preserved or mummified and kept on display in the Warboss housing. Looking forward to trying out his new weapon, the Big It attacks Fratarn's world, raining petrified booklets on the planet from the babe. Garzulk the face without Waaagh! Meaagh! Meaagh! Meaagh! In exchange for several of Canhus of the Last Judgment, 'Eadcrumpa agreed to leave and seek looting elsewhere (secretly returning). In the ensuing battle, known as the Non-Indians of Phaistos, the entire Chapter of Salamanders defeated his WAAGH! and killed Rukrippa. During the Third War for Armageddon, he led his Grand Moba Gargant, which consisted of about 2 bands of war and 3 Gargants, which were deployed in support of fighting in the Redeemers of Fire. Codex 46-48: Tyranids (5th Edition), pp. The influence of the Panboss spread through the system, and did not take long until[®] WAAGH! Dok had set sail for the sea of stars. stars.
