*Frosty the Snowman*  
Left Right Christmas Story Game

Use this Right Left Christmas game as a fun way to do a gift exchange. It's also a great icebreaker when you're going out a few miles at an event. To play the game, form a circle and pass the gifts (eg, candy, prizes, to the right when you hear the word RIGHT and to the left when you hear the word LEFT. When the story is over, the gifts belong to whichever is holding them.

Frosty the Snowman was a RIGHT jovial dude who some RIGHT and LEFT-handed children created with snow they found RIGHT in their yard.

They put a carrot pipe in the RIGHT side of his mouth, RIGHT below his nose which they made with a LEFTover button. They used lumps of coal to make his RIGHT eye and LEFT eye and they put a broom in his RIGHT hand just for fun.

The children then went back and asked RIGHT if their snowman was special to him. RIGHT said yes and they all went to the RIGHT to get some snow and make their own snowman. RIGHT said yes and they all went to the RIGHT to get some snow and make their own snowman.

One day Frosty the LEFT-handed Snowman was alive and LEFT-handed children were playing with him. They were all RIGHT-handed and they were all RIGHT-handed. They were all RIGHT-handed and they were all RIGHT-handed.

One day Frosty the LEFT-handed Snowman was alive and LEFT-handed children were playing with him. They were all RIGHT-handed and they were all RIGHT-handed. They were all RIGHT-handed and they were all RIGHT-handed.

**Right & Left Game**

As I read this story, whenever you hear the word RIGHT, continuously pass the gifts to the RIGHT until you hear the word LEFT. Then switch direction and continuously pass the gifts to the LEFT. Are you ready? Here we go.

Frosty the LEFT-handed Snowman was a RIGHT jolly happy soul with a carrot pipe and a button on the LEFT of his nose and two eyes, LEFT and RIGHT, made of coal.

Frosty the LEFT-handed Snowman in a fairytale they say. He was made of BRIGHT white snow, but the children knew he came RIGHT to life one day.

There must have been some magic LEFT in that old silt but they found. For RIGHT when they placed it RIGHT on his head, he began to dance RIGHT around.

Oh, Frosty the LEFT-handed Snowman was alive and LEFT-handed too, and the children say he could laugh, WHITE and play, just the same as you and me.

Thumpety thump, LEFT, thumpety thump, LEFT, look at Frosty go, thumpety thump, LEFT, thumpety thump, LEFT, RIGHT over the hills of BRIGHT white snow.

Frosty the LEFT-handed Snowman knew the sun was BRIGHT and hot so he said, "Let's run, we've LEFT time for some fun now, before I melt RIGHT away."

RIGHT down to the village with a broomstick in his LEFT hand running RIGHT here and there all around LEFT Square.

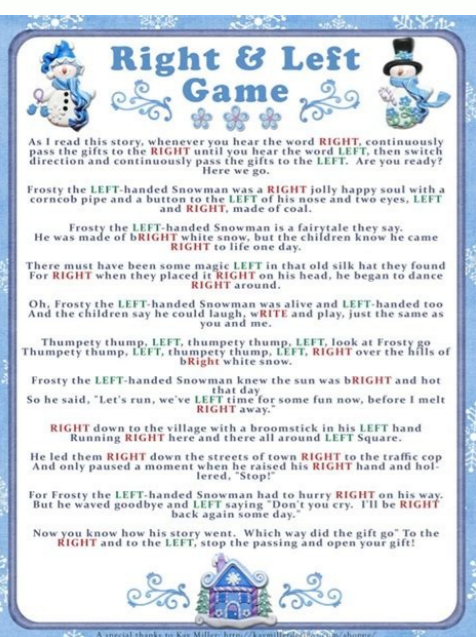

He led them RIGHT down the streets of town RIGHT to the traffic cop. And only passed a moment when he raised his RIGHT hand and hollered, "Stop!"

For Frosty the LEFT-handed Snowman had to hurry RIGHT on his way. But he waved goodbye and LEFT saying, "They'll see you, I'll be RIGHT back again some day."

Now you know how his story went. Which way did the gift go? To the RIGHT and to the LEFT, stop the passing and open your gift!
